

FCA Virtual Schedule Office Hours Schedule FAQ

On the following page, is the schedule that we will be following during the school closure. For example, if your child is in 1st grade, they would have Language Arts instruction on Mondays from 9:20 to 9:40. If your child is in 4th grade, they would have Art on Mondays from 9:20 to 9:40.

Instructional formats will vary. Some days your child will join your classroom teacher in a virtual classroom. Other days they may have an assignment to complete. Your classroom teacher will let you know how to find your weekly work and instructional times. We will be using an online resource called Stride Academy. Your classroom teachers will give you more information on that platform.

Students with Individual Education Plans, English Language Plans, Tier 3 Tutoring Services, and 504s will receive further information and scheduling through their case manager. You can be expecting contact from them the week of April 6.

At the bottom of this attachment, you will also see the office hours for all certified staff. Staff emails all follow the following format: firstname_lastname@natronaschools.org. Individual teachers will also give you other ways to contact them in their classroom communication.

You will find a second attachment with some frequently asked questions.
